Junior Warden Activities and Needs

Hello Holy Spirit! Since I became the Junior Warden in late January, I have been busy with multiple projects around our church property. Just like our own homes, God's house at 601 S. Highland is always in need of upkeep and repair. I greatly appreciate the help given so far to get our sprinkler systems up and running again, electrical repairs, repair of wood rot around the church and painting, and landscape improvements to the memorial garden to name just a few. However, there is more to be tackled. If you are handy-and willing to lend a hand- in areas of maintenance, landscape work, or specific skills such plumbing, irrigation, etc. please contact me! One task where help is needed NOW is to weed and then mulch the remaining plant beds around the parking area and walkways. Perhaps you would be willing to "adopt" a plant bed area and provide both the labor and the brown mulch. If you are unable to spread the mulch yourself, providing bags of brown mulch would still help!! You can reach me at 407-923-3010 or email me at chsjuniorwarden@gmail.com.
